

Dr. Vivek Prasad Shaw is an accomplished textile technologist with extensive academic and professional experience. He earned a B.Tech from the University of Calcutta in 2008 with 75.45%, followed by an M.Tech from IIT Delhi in 2010 with a CGPA of 8.41/10. He holds a Ph.D. in Textile Technology from NIT Jalandhar.

He has worked in various roles, starting as an Assistant Manager in the R&D Department at Vardhman Spinning Mills from July 2010 to January 2018, where he managed quality assurance and coordinated between production and maintenance departments. He then served as an Assistant Professor at M.L.V Textile & Engineering College from January 2018 to September 2021, teaching B.Tech students and guiding their projects. In 2022, he worked as a Senior Research Fellow on a DRDO-sponsored project at IIT Delhi, developing soft body armor. He then joined Grasim Industries Ltd as a Senior Research Scientist, focusing on optimizing viscose fiber properties, from December 2022 to September 2023. Currently, he is working as a Senior Scientific Officer at the Coir Board, where he continues his research and development work.

Throughout his career, he has published several research papers in reputed journals, highlighting his contributions to textile technology. He qualified for the GATE exam in 2008 with an All India Rank of 37. His Google Scholar and Orcid profiles provide further details of his scholarly work.
